

YOUR SUPPORT WILL HELP YOUTH FLOURISH.

Breaking and exciting news...Braelynn is our 2023 Ambassador!

We are honoured to introduce you to seven-year-old Braelynn. A spirited, engaging, humorous and wise beyond her years little girl.

Braelynn lives with the condition of Spinal Muscular Atrophy, a rare genetic disease. Diagnosed

just shortly after her first birthday, she is missing the gene which allows her to voluntarily move her muscles. She has been receiving care from the amazing Rehabilitation Centre team for over five years. To her family, the Centre feels like their second home.

Your support of the Foundation has enhanced Braelynn's life in many ways. She has received adapted equipment that grows with her and has been the recipient of specialized technology to enhance her independence. Her neuromuscular disease is progressive, so she will always need assistance to live her life to the fullest.

This beautiful little human loves Minecraft, unicorns, donuts and playing outside with her friends. Her parents, Ryan and Maylia, are so grateful to you for being in their daughter's corner.

We look forward to sharing much more about Braelynn over the coming year. You won't want to miss what she's going to be up to, starting next week with Smile Cookie!

Early Bird Registration Deadline - May 1st!

In less than two months, it will be Cruisin' time! We can't wait to see you on Sunday June 11 as we gather together at CMU for the first time to help change lives. **Sign up now** and ask your family and friends to support your efforts. The funds raised at this hallmark event are integral to being able to fund RCC's programs and specialized equipment.

Do you want to be entered into our early bird registration draw? **Register** by Monday May 1 to get in on the action of winning a \$100 Tim Hortons gift card.

You can support bike-riding dreams!

Arabella, a sociable and spirited four-year-old, lives with a dual diagnosis of Down Syndrome and Autism. Her parents feel she is a total gift and want their daughter to have every opportunity for a healthy life.

Did you know adapted bikes allow children with disabilities a chance to participate in an active lifestyle? They also provide immense physical and therapeutic benefit. Requests for specialized bikes are coming in quickly and the wait list is over 25 bikes long already. The bikes are very costly, between \$2000 to \$6500 each. **Your generosity today will give the**

gifts of independence, coordination and freedom.

Do you want to help fund a bike? Please contact **Mia Dunn** at (204) 258-6702 or donate online at 25bikes.com
