# It's About Ability!

## Employee Spirit and Commitment Enhances Lives

Brielle is a bubbly three-year-old who is always ready to give hugs and high-fives.

“Her smile lights up the room and is usually followed by big giggles and a loud contagious laugh,” say her parents Lindsay and Katie.

Brielle is developing her language skills with the help of a communication iPad, which was recently made possible through the FWS Group of Companies workplace giving campaign. Through 50/50 raffles, payroll deductions and matching donations, employees doubled their initial fundraising goal to raise over \$31,000.

“With their support, this added device and tool will now be able to provide an additional resource to continue to help Brielle learn to communicate,” say Lindsay and Katie.

FWS purchased equipment for 20 children, providing independence to enhance communication and mobility.

**Your workplace can make a meaningful difference in the lives of children.  
Contact [adell@crf.mb.ca](mailto:adell@crf.mb.ca) to learn more about workplace giving.**

## YOU DID IT!

Your incredible fundraising efforts surpassed our \$100,000 goal for virtual Cruisin' Down the Crescent presented by the Chris and Jeff Fettes Family Foundation.

The support of each of you—dedicated registrants to generous sponsors—will bring joy to the lives of countless children.

Mark your calendars! The 2022 Cruisin' Down the Crescent is set for Sunday, June 12.

## Canadian Tire Regent Starkids Fundraiser

**While we may not be teeing off together this year, you can still support kids.**

Your donation toward the Canadian Tire Regent Starkids Golf Tournament is invested into the Rehabilitation Centre for Children's Specialized Communication Resources for Children department.

Your generosity equips children with the communication tools they need to stay connected while they remain apart. Communication iPads, family education workshops and Manitoba's largest adapted book library are made available to thousands of children through your support of this campaign.

## Your Support Matters

Your generosity this past year provided life-changing programs and equipment to children living with disabilities across Manitoba.

Find out what you made possible in the [2020/21 It's About Ability Annual Report](#).
