

Your generosity profoundly changed their lives

Your thoughtful gifts these past months to Giving Tuesday and One Child's Dream have given Jude and Nathan new reasons to smile. Your support warmed their hearts this holiday season.

Jude lives with a lower limb prosthetic. He is resilient and determined, embracing life. Your generosity and kindness are instrumental in empowering Jude and other children with disabilities to fully engage in life's opportunities. Jude's vibrant spirit shines through as he actively participates in playing soccer, basketball and biking adventures on his specialized adapted bike.

Your incredible generosity was integral to funding Nathan's new eye gaze technology. Your kindness will help him communicate with his family and peers, expressing his thoughts, opinions and needs as he's never been able to do before.

CanPlay Classic Sets New Fundraising Record!

The annual Michael Gerl CanPlay Hockey Classic hit the ice Jan 20-23. Youth hockey players raised funds and awareness of the need for accessible recreational equipment and experiences for all children.

We are happy to share a historic amount of nearly \$13,000 was raised which the Foundation will invest into supporting youth. The Classic is a great initiative which brings together so many people in our community.

A special shout-out to Michael for his vision and to the Winnipeg Avros, a AAA team competing in the MFHL, who led the fundraising charge. They raised nearly \$5,000 as a team and an Avros branded bike is going to be built for a youth in the St. James School Division!
