

*Your compassionate support is life altering.*

## Your dedication gave youth freedom and hope.

Nearly 500 enthusiastic participants, sponsors, and volunteers packed the CMU courtyard on Sunday June 9. They celebrated loved ones, connected with the community and raised awareness and support for children who need our help. Cruisin' to Change Lives was a tremendous success, raising over \$160,000, essential funds to further our mission. A special thank you to Presenting sponsor, Fettes Family Foundation, for their continued support of youth living with disabilities in our province.

Golfers enjoyed a fun day on the links at the Tee off for Ability Golf Tournament, held June 20 at Breezy Bend Country Club. Participants had the opportunity to learn more about how the **Rehabilitation Centre for Children** supports children by trying a robotic putting device and interacting with other adaptive equipment at various holes across the course. The fabulous day was capped off with a lively dinner emceed by Joe Aiello and heartfelt remarks from Jacoby. Total funds raised .... an incredible \$100,000! Our gratitude to Canadian Tire for being in the corner of these special youth.

## You are helping create memories this summer!

Thanks to your generosity, the L.I.F.E Program's Sun Summer Camp is in full swing, providing youth with a parent-free week of their favourite activities. Fully funded by your donations, this summer camp empowers youth living with disabilities to participate in adaptive activities tailored to their unique needs. The camp promotes social, cognitive, physical development and fun

through themed weeks, including art, music, cooking, wilderness exploration and swimming.

Sun & Fun Summer Camp would not be possible without the investment of The Winnipeg Foundation, Rotary Club of Winnipeg West and Federated Co-operatives Ltd.

You are making a lasting impact on the lives of these amazing campers and they are so grateful.

## Your participation spread smiles this spring.

Thank you Tim Hortons and everyone who bought Smile Cookies this May. Your commitment helped raise \$288,000 in Winnipeg, Selkirk, and Stony Mountain! These proceeds are invested into supporting children and youth living with disabilities in our province, including purchasing essential adapted equipment and funding specialized programming.

Your support, generosity and participation in this year's Smile Cookie Week means so much.

## How you can get in on the action!

We have another delicious ice cream sandwich

You don't want to miss out on this All-Star Celebration

Share a little sweetness this summer and help children

collaboration with **Fête Ice Cream and Coffee!**

Available for delivery to your organization or in store purchase, Jacoby's Grand Slam Sammie mixes Jacoby's love for baseball with the nostalgic Dunkaroo flavour. Each ice cream sandwich is \$5 with a portion of the proceeds funding programs, equipment, and services accessed by children and youth at the Rehabilitation Center for Children.

For orders of 25 or more treats, CRF will deliver to any Winnipeg location for free!

October 4 at The Met, 281 Donald Street. This year's A Night of Miracles gala is a nostalgic sports-themed event. It promises to be a tremendous evening honouring Jacoby and his peers.

The funds raised from this magical night will truly change lives by supporting key areas not funded by other sources, including specialized equipment, technology, adapted recreation programs and research.

Our gratitude to Gerry & Barb Price, our Presenting Sponsor.

and youth who need our help.

Lemonade stands are a fun and low cost way to share your passion for change while raising money for youth living with disabilities.

Imagine how many children you can help just by collecting donations at your own community lemonade stand!

To find out more about organizing an event in support of CRF, please reach out to Monique Van Osch at **(204) 258-6703** or **monique@crf.mb.ca**
