Meet our 2022 Youth Ambassadors!

We are honoured to introduce you to Elias and Gabriel, twin sixteen-year-olds who are our ambassadors. They are double the fun and we look forward to highlighting their spirited personalities throughout the year.

Born three-months early, Elias and Gabriel suffered brain hemorrhages that resulted in Cerebral Palsy. They have received medical services from the Rehabilitation Centre for Children most of their lives.

Thanks to your support, the twins have been gifted custom bikes that enable them to fly down the sidewalk! And your donations make it possible for them to participate in ongoing L.I.F.E. activities including their favorite, the Saturday Night for Teens program. They flourish hanging out with people who believe anything is possible for them.

Their lives are richer because of your generosity. They are so grateful to you.

In just five weeks, it will be Cruisin' time! We are so excited and hope you are too. We can't wait to see you on Sunday June 12 as we gather together to help change lives. **Sign up now** and ask your family and friends to support your efforts.

Do you want to be entered into our early bird registration draw? **Register** by Thursday May 12 to get in on the action of winning \$200 in Salisbury House gift cards.

The bike waitlist is growing by the day. Your support now will make bike-riding dreams come true.

Requests for specialized bikes are pouring in. Adapted bikes allow children with disabilities a chance to participate in an active lifestyle. They also provide physical and therapeutic benefit. **Your generosity will give the gift of independence, coordination and freedom.**

The bikes are very costly, between \$1500 to \$6500 each. The youth you help will receive custom-built bikes with all the "bells and whistles" they need, from foot straps and seatbelts, to specially designed seats and the colour of their choice.

Do you want to help fund a bike? Please contact **Mia Dunn** at **(204) 258-6702** or donate online at **25bikes.com**
